AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

Claim 1 (Original): An inflatable product, including:

- a first chamber;
- a first valve;
- an air pump for inflating the first chamber through the first valve;
- a first switch for activating the air pump and opening the first valve;
- a second chamber;
- a second valve through which the air pump inflates the second chamber;
- a second switch to activate the air pump and open the second valve;

wherein the air pump has a first pair of electrodes and a second pair of electrodes, the air pump operating in a first direction when the first pair of electrodes contact each other, the air pump operating in a second, reverse direction opposite to the first direction when the second pair of electrodes contact each other, and the first switch controls the air pump to operate, and the second switch also controls the air pump to operate.

Claim 2 (Original): An inflatable product as claimed in claim 1, further including a slider connected to the first and second pairs of electrodes and provided beside the first and second switches in such a way that the air pump is activated by the first switch and the second switch via the slider.

Claim 3 (New): An inflatable product as claimed in claim 2, wherein the first and second switches comprise a first ear and a second ear respectively, and the second ear is impelled by the slider when the first ear pushes against the slider.
